

GUIDELINES FOR FUNDRAISERS FOR CONNECTS & Co

These guidelines are offered to help your fundraising activities and to protect and maintain the reputation of Connects & Co.

- a. Fundraisers who wish to use the Connects logo can do so only with our prior agreement. The logo should only be used as provided to you. It should never be recreated, distorted or redrawn in any way. Connects is legally obliged to disclose that it is a registered charity by including the registered charity line wherever the logo is used. Please check with the Connects & Co manager if in any doubt.
- b. Even if the logo is not used, we would ask that you consult with us in advance of any fund raising activity.
- c. If fundraising in a public place, you will need to have obtained appropriate permission from the district council and any other relevant body.
- d. Connects & Co will not accept any funds not raised in full compliance with the law.
- e. It may help your fund raising activity to use the phrase 'in aid of Connects & Co' and our registered charity number – 1125195.
- f. Any money raised by you is your responsibility to keep safe until it is formally handed over to the manager or a duly authorised representative of Connects & Co.
- g. Where possible, we will endeavour to publicize your fund raising activity so it would be helpful to be kept informed of any changes or cancellations.
- h. It may be possible to increase the value of the funds raised through the government's Gift Aid scheme. Please ask the manager for details.
